

## Handy Houseperson

Hotel Zed Victoria is currently looking for a Houseperson to join our dynamic, totally unique, and rebellious team.

### Why Us

Working at Hotel Zed is different than working anywhere else. And that is a really good thing. Being a family owned business, we treat our staff like one of our own... (except without the inheritance). So, if you enjoy having fun at work (and doing a great job at the same time!), bring a healthy dose of humour to your job (we draw the line at super soaker spray guns!) and have a can-do, flexible attitude (if you like rigid rules and policies – go work in a bank!) come join the Hotel Zed family!

At Hotel Zed we care about our staff. We are a family run business and we care about you like you're family. Sure, a lot of places say they care about their staff... Here's how we show it:

- Two scholarship programs; one for you and one for your family
- Two free room nights a year at any of our properties
- Treat days and monthly & yearly bonus
- Benefit Plan, including Extended Health, Dental and more after 6 months
- Employee Family Assistance Program
- Peer Recognition Program

### What You Do

As a Handy Houseperson, you know that cleanliness and comfort are the most important things we can offer our guests. You go above and beyond to ensure our guest rooms and common areas are always spotlessly clean and looking totally awesome for our guests.

You make sure that guest rooms are stripped, and clean laundry is prepped for each room. You make sure that each space in our hotel is ready to wow our guests, both through cleanliness and through extra fun items lying around. You are friendly, genuine, helpful, and ready to assist guests with any needs. You work with housekeeping and maintenance to ensure spotless communication and seamless guest service. You also help us protect the environment by sorting recycling and monitoring the light and heat appliances for optimal efficiency. You have an eye for detail and a passion for top-notch guest service. You help out around the property as needs arise including occasional shuttle driving.

You are an important member of our team; you leave positive, lasting impressions with our guests and are a big part of what makes Hotel Zed one of the best places to work in BC.
