

Rockstar Room Attendant

Hotel Zed Victoria is currently looking for a Room Attendant to join our dynamic, totally unique, and rebellious team.

Why Us

Working at Hotel Zed is different than working anywhere else. And that is a really good thing. Being a family owned business, we treat our staff like one of our own... (except without the inheritance). So, if you enjoy having fun at work (and doing a great job at the same time!), bring a healthy dose of humour to your job (we draw the line at super soaker spray guns!) and have a can-do, flexible attitude (if you like rigid rules and policies – go work in a bank!) come join the Hotel Zed family!

At Hotel Zed we care about our staff. We are a family run business and we care about you like you're family. Sure, a lot of places say they care about their staff... Here's how we show it:

- Two scholarship programs; one for you and one for your family
- Two free room nights a year at any of our properties
- Treat days and monthly & yearly bonus
- Benefit Plan, including Extended Health, Dental and more after 6 months
- Employee Family Assistance Program
- Peer Recognition Program

What You Do

As a Remarkable Room Attendant, you know that cleanliness and comfort are the most important things we can offer our guests. You go above and beyond to ensure our guest rooms are always spotlessly clean.

You are our room genie. You methodically load your housekeeping cart with the supplies you need each day – everything has a place. You magically scrub, sanitize, dust and vacuum our guest rooms until they sparkle. You straighten, move, close and arrange everything in the room into its perfect spot. You make sure everything in the room is working as it should and if not, you quickly report any issues that need maintenance attention or repair. You are a marvel at bed making and meticulously restock every guest room with supplies for every bathroom and kitchen. You know your own strengths and limitations and you always take care to practice safe lifting, bending and stretching techniques on the job. Whenever you see our guests out and about on your rounds, you always greet them warmly with a smile and make them feel welcome.

You are an important member of our team; you leave positive, lasting impressions with our guests and are a big part of what makes Hotel Zed one of the best places to work in BC.
