

# ROAR

LIVE FIRE X SEAFOOD X BAR  
PASTRY CHEF

## Who are you?

You'll lead our small-but-mighty pastry team to sweet new heights. When we say mighty, we mean it. You've got technical training that helps you make a wide range of dishes, but you're not afraid to rebel against it and get super creative. You *love* dreaming up new creations, and you get goosebumps when concocting a recipe that just totally works. You're creative and excited to collaborate to develop our amazing menus by creating and delivering new recipes that our guests will dream about for weeks afterwards. You also have the skills required to sort through back end financials, make sound business decisions and keep things organized. You care about people deeply and have your team's back no matter what. You like to have fun, and your infectious positivity spills out from our kitchen onto the dining floor. Daily, you lead your pastry team to deliver delicious, consistent and memorable products for breakfast, lunch, dinner and our provisions retail outlet.

## Who are we?

Roar is Tofino's new favourite hang out that doesn't feel new at all. Hasn't this always been your favourite spot? As soon as you walk through the swanky, 70's-shag-carpet vibes of Hotel Zed and into the comfy, cozy restaurant or lush outdoor patio, you'll feel the best kind of déjà vu. It's the first live fire restaurant on the coast and Roar makes every meal feel as relaxing and fun as a roaring beach fire.

We created Roar to be a place for Toficians to unwind after work with friends, but that doesn't mean you'll have to be local to feel like one here. It's fun, it's laid back, it's cozy and it feels like home. There is nothing pretentious about it. It's good food and drink with good ingredients and awesome people.

Roar is the first restaurant brought to the world by Accent Inns Inc! We're a family-owned, BC-based hospitality company with eight hotels across two brands—Accent Inns and Hotel Zed—and now one restaurant! Together we have won the *Employee's First* award from the Tourism Industry Association of BC for our outstanding work culture. Our 2020 Summer Employee Survey showed that 97% of our employees are happy to work here.

We are dedicated to living adjacent to a set of Core Values that embody who we are as a company. We are passionate in our pursuit of ensuring people are free to *Be Real, Have Fun*, be empowered to *Make Everything Better* as we always *Have Each Other's Backs*. Our fam-jam of staff being well taken care of, and taking care of one another, in addition to our communities, is at the core of who we are!
