Pride March starts and ends at Hotel Zed, turning around at Chesterman Beach

- ✦ The march route is mostly flat and suitable for wheelchairs and mobility devices, with the exception of the sandy section at Chesterman Beach.
- ✦ All pets welcome!
- ✦ Accessible and all-gender washrooms are available at Hotel Zed Tofino and Chesterman Beach.
- ✦ There are a few spots along the way where you can pause and rest.
- ✦ This is a high-energy event that may include music, cheering, and crowds – please bring any sensory tools you need to feel comfortable.

We acknowledge with deep respect that Tofino Pride is held on the unceded territories of the Tla-o-qui-aht First Nation, part of the Nuu-chah-nulth peoples. We honour their connection to this land and celebrate the diversity that makes our community so special.
